ATTESTATION

STATE OF MISSOURI)
) ss.
City of Jefferson)

I, Sandy Lueckenhoff, Assistant Revisor of Statutes, hereby certify that I have collated carefully the laws and resolutions passed by the One Hundred First General Assembly of the State of Missouri, convened in second regular session (2022) and first extraordinary session (2022), as they are contained in the following pages, and have compared them with the original rolls and have corrected them thereby. Headnotes are used for the convenience of the reader and are not part of the laws they precede.

IN TESTIMONY WHEREOF, I have hereunto set my hand at my office in the City of Jefferson this twenty-sixth day of October A.D. two thousand twenty-two.

SANDY LUECKENHOFF
ASSISTANT REVISOR OF STATUTES

EFFECTIVE DATE OF LAWS

All laws having emergency clauses (and appropriation bills) become effective upon signature by the governor. Bills having a specific effective date contained in the text of the act become effective on that date. This date is shown immediately following the section. All other laws become effective in accordance with the provisions of the Constitution of Missouri.

Section 29, Article III of the Constitution provides:

“No law passed by the general assembly, except an appropriation act, shall take effect until ninety days after the adjournment of the session in either odd-numbered or even-numbered years at which it was enacted. However, in case of an emergency, which must be expressed in the preamble or in the body of the act, the general assembly by a two-thirds vote of the members elected to each house, taken by yeas and nays may otherwise direct; and further except that, if the general assembly recesses for thirty days or more it may prescribe by joint resolution that laws previously passed and not effective shall take effect ninety days from the beginning of the recess.”

Pursuant to Section 20(a), Article III, Constitution of Missouri, as amended in 1988, the regular session of the general assembly ends on May 30th and laws passed at that session become effective August 28th of that year.

Section 21.250, which provides for the effective date of bills reconsidered after the governor’s veto, was amended by the General Assembly in 2003 to add the following language:

“Unless the bill provides otherwise, it shall become effective thirty days after approval by constitutional majorities in both houses of the general assembly.”.

The One Hundredth First General Assembly, Second Regular Session, convened Wednesday, January 5, 2022, and adjourned Monday, May 30, 2022. All laws passed by it (other than appropriation acts, those having emergency clauses or different effective dates) became effective ninety days thereafter on August 28, 2022.

The One Hundredth First General Assembly, First Extraordinary Session, convened Tuesday, September 6, 2022, and adjourned Tuesday, October 4, 2022. House Bill 3 and Senate Bill. 3 & 5 passed by it became effective January 2, 2023.

JOINT RESOLUTIONS AND INITIATIVE PETITIONS

Section 2(b), Article XII of the Constitution provides:

“All amendments proposed by the general assembly or by the initiative shall be submitted to the electors for their approval or rejection by official ballot title as may be provided by law, on a separate ballot without party designation, at the next general election, or at a special election called by the governor prior thereto, at which he may submit any of the amendments. No such proposed amendment shall contain more than one amended and revised article of this constitution, or one new article which shall not contain more than one subject and matters properly connected therewith. If possible, each proposed amendment shall be published once a week for two consecutive weeks in two newspapers of different political faith in each county, the last publication to be not more than thirty nor less than fifteen days next preceding the election. If there be but one newspaper in any county, publication for four consecutive weeks shall be made. If a majority of the votes cast thereon is in favor of any amendment, the same shall take effect at the end of thirty days after the election. More than one amendment at the same election shall be so submitted as to enable the electors to vote on each amendment separately.”

The One Hundredth First General Assembly, Second Regular Session (2022), passed two Joint Resolutions. Resolutions are to be published as provided in Section 116.340, RSMo 2016, which reads:

“116.340. Publication of approved measures. — When a statewide ballot measure is approved by the voters, the secretary of state* shall publish it with the laws enacted by the following session of the general assembly, and the revisor of statutes shall include it in the next edition or supplement of the revised statutes of Missouri. Each of the measures printed above shall include the date of the proclamation or statement of approval under section 116.330.”

*The publication of session laws was delegated to the Joint Committee on Legislative Research in 1997 by Senate Bill 459, section 2.040.

The headnotes used to describe sections printed in this volume may not be identical with the headnotes which appear in the 2022 Revised Statutes of Missouri. Every attempt has been made to develop headnotes which adequately describe the textual material contained in the section.

*I hereby veto \$4,875,000 Department of Elementary and Secondary Education Federal Emergency Relief 2021 Fund for the School Turnaround Program. This increase utilizes one-time federal funding to add additional schools to a program that requires a multi-year commitment. Further, the program started one year ago and no performance measures reflecting program success have been demonstrated yet to date. Demonstrated effectiveness should be a prerequisite before the program is expanded to additional schools. This maintains core funding of \$975,000 general revenue.

For the purpose of funding the School Turnaround Program.

From \$4,875,000 to \$0 from Department of Elementary and Secondary Education Federal Emergency Relief 2021 Fund.

I hereby veto \$2,000,000 Department of Elementary and Secondary Education Federal Emergency Relief 2021 Fund for a chemistry and physical science 3D game-based learning platform for middle and high school students. Although it does not identify a specific vendor, this appropriation appears to describe a specific vendor's learning platform as identified on the vendor's website. The Department of Elementary and Secondary Education is subject to state purchasing laws set forth in Chapter 34, RSMo, and must follow those laws when selecting a vendor rather than contracting with a particular vendor. Additionally, this program provides one-time state funding to support ongoing program costs, which could possibly jeopardize the program's future sustainability.

For the purpose of funding a chemistry and physical science 3D game-based learning platform.

From \$2,000,000 to \$0 from Department of Elementary and Secondary Education Federal Emergency Relief 2021 Fund.

By \$6,875,000 from \$2,442,048,430 to \$2,435,173,430 in total for the section.

*I hereby veto \$4,000,000 general revenue to Missouri State University (MSU) for a statewide math supplement program for secondary education. This appropriation provides funding for math programming for students Grade 6 through Algebra II, but is appropriated to the Missouri Department of Higher Education and Workforce Development (DHEWD) through Missouri State University (MSU). DHEWD is responsible for oversight of post-secondary education and does not have the same role and responsibility as the Department of Elementary and Secondary Education (DESE) with regard to curriculum adhering to the Missouri Learning Standards. Such programs should be administered through DESE rather than DHEWD. Both DESE and DHEWD are subject to state contracting laws in Chapter 34, RSMo, while MSU is exempt from such laws under Section 34.010, RSMo. If approved, this appropriation would have granted funds to an entity subject to Chapter 34 with directions to transfer the funds to an entity not subject to Chapter 34, thereby intentionally avoiding and circumventing state purchasing laws. An expenditure of this magnitude for a contract related to students in grades 6-12 should follow the state procurement laws and should be appropriated to the state department that has responsibility regarding secondary education, especially for a program that would be expected to receive ongoing state financial support. Additionally, the General Assembly did approve funding for DESE to provide additional

math programing through their allocation of ESSER III funds received from the federal government. This line item would have been duplicative of that program.

To Missouri State University for the purpose of partnering with a comprehensive math supplement.

From \$4,000,000 to \$0 from General Revenue Fund.

I hereby veto \$112,500 Job Development and Training Fund for an education and job skills development program. This earmark was not included in my budget recommendations and would leave the state unable to fully fund existing workforce programs that are currently creating jobs, helping individuals with job placement, and supporting measurable skills gains across the state. Further, the federal Workforce Innovation and Opportunity Act has strict reporting requirements, and the costs of such reporting would likely exceed the value of this earmark.

For a 501(c)(3) located in a city not within a county that provides education and job skills development for strengthening students' economic understanding of capitalism and ability to participate and succeed in a capitalist economy.

*I hereby veto \$2,300,000 general revenue to Missouri Southern State University (MSSU) for a statewide precision health and agricultural sciences program. This appropriation provides funding for collaboration opportunities with an industry partnership in biological sciences in order to provide services to K-12 students, but it is appropriated to the Missouri Department of Higher Education and Workforce Development (DHEWD) through Missouri Southern State University (MSSU) for purposes of contracting with a vendor to provide services related to K-12 students. DHEWD is responsible for oversight of post-secondary education and does not have the same role and responsibility as the Department of Elementary and Secondary Education (DESE) with regard to programming for K-12 students. Such programs should be administered through DESE. Both DESE and DHEWD are subject to state purchasing laws under Chapter 34, RSMo, while MSSU is exempt from such laws under Section 34.010, RSMo. If approved, this appropriation would have granted funds to an entity subject to Chapter 34 with directions to transfer the funds to an entity not subject to Chapter 34, thereby intentionally avoiding and circumventing state purchasing laws. An expenditure of this magnitude for services related to K-12 students should follow the state contracting laws and should be appropriated to a state entity that has responsibilities regarding education of K-12 students.

For a statewide program designed to increase collaboration and workforce opportunities via industry partnership in precision health and agricultural sciences.

This appropriation further provided funding for the faculty as a one-time state expense, whereas staffing is an ongoing cost and could jeopardize the program's future sustainability leading to job losses if the funding were not to be provided in the future.

AN ACT to appropriate money for the expenses, grants, refunds, and distributions of the Department of Agriculture, Department of Natural Resources, Department of Conservation, and the several divisions and programs thereof, and for the expenses, grants, refunds, distributions, and capital improvements projects involving the repair, replacement, and maintenance of state buildings and facilities of the Department of Natural Resources and the several divisions and programs thereof to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds, for the period beginning July 1, 2022 and ending June 30, 2023.

Be it enacted by the General Assembly of the state of Missouri, as follows:

There is appropriated out of the State Treasury, to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, for the purpose of funding each department, division, agency, fund transfer, and program described herein for the item or items stated, and for no other purpose whatsoever, chargeable to the fund designated for the period beginning July 1, 2022 and ending June 30, 2023 as follows:

Any clarification of purpose in Part 2 shall state the section or sections in Part 1 to which it attaches and shall, together with the language of said section(s) in Part 1, form the complete statement of purpose of the appropriation. As such, the provisions of Part 2 of this act shall not be severed from Part 1, and if any clarification of purpose in Part 2 is for any reason held to be invalid, such decision shall invalidate all of the appropriations in this act of which said clarification of purpose is a part. Part 3 of this act contains an appendix of appropriations consisting of one-time new decision items for the fiscal year beginning July 1, 2022 and ending June 30, 2023. *I hereby veto \$500,000 general revenue for a communication platform for active duty National Guardsmen, first responders and veterans to receive direct access to chaplains and provide suicide prevention information and resources. The Fiscal Year 2023 budget invests nearly \$30 million in 988 mental health hotline infrastructure to assist citizens statewide experiencing a mental health emergency. The General Assembly also included \$1 million to market the 988 program of which my administration will use to target national guardsmen, veterans, first responders, and members of our armed forces. Further, the National Guard also has an existing phone application which includes a suicide hotline component. This program would be duplicative of those investments.

For a communication platform for National Guardsmen, first responders, and veterans.

*I hereby veto \$225,000 general revenue and three security staff for the Senate. This item was not part of my recommendations and unnecessarily duplicates services already provided by the Capitol Police at the Capitol Building as directed by Section 8.177, RSMo. This law requires Missouri Capitol Police Officers to maintain order and preserve the peace in all state-owned and leased buildings, including the Capitol Complex. The final budget adopted by the General Assembly includes six additional Capitol Police positions which include four officers and two dispatchers. Duplication of security staff within the Capitol Building can have catastrophic outcomes if a critical incident were to occur in the Capitol Building, including not having a clear chain of command, lack of coordinated communication, and fragmented response. Through the Office of Administration, my administration has been working to improve safety and security at state-owned and leased facilities across the state to ensure the safety of all state team members, elected officials, contractors, visitors, and constituents. My administration will continue to work with House and Senate leadership to address the security needs of each chamber at the Capitol Complex.

*I hereby veto \$225,000 general revenue and three security staff for the House of Representatives. This item was not part of my recommendations and unnecessarily duplicates services already provided by the Capitol Police at the Capitol Building as directed by Section 8.177, RSMo. This law requires Missouri Capitol Police Officers to maintain order and preserve the peace in all state-owned and leased buildings, including the Capitol Complex. The final budget adopted by the General Assembly includes six additional Capitol Police positions which include four officers and two dispatchers. Duplication of security staff within the Capitol Building can have catastrophic outcomes if a critical incident were to occur in the Capitol Building, including not having a clear chain of command, lack of coordinated communication, and fragmented response. For payment of organizational dues

From General Revenue Fund (0101) \$306,631

*I hereby veto \$12,000 general revenue for the payment of organizational dues. This item was not part of my budget recommendations. Previous efforts to learn from other states regarding gaming policies have culminated in multiple legislative bills that have been proposed and debated by the General Assembly over the past few years. Resources for gaming policy are available to policymakers interested in the topic, and include membership to other organizations such as the National Conference of State Legislatures and the Council of State Governments. Accordingly, this organizational membership is duplicative of other memberships that Missouri taxpayers already pay for.

For payment of organization dues by \$12,000 from \$306,631 to \$294,631 from General Revenue Fund.

From \$306,631 to \$294,631 in total from General Revenue Fund.

The property on which this was planned for construction also has legal encumbrances that would need to be negotiated and addressed. Further, any future construction of a Missouri State Highway Patrol Academy should be a part of a comprehensive state facility plan.

public purposes in violation of Article III, Section 38(a) of the Missouri Constitution. While the plain language of the appropriation states the funds are for the "planning, maintenance, or construction of a hospital" the information provided to my administration demonstrates that this language does not meet the actual needs of the project. The City of Hannibal desires the funds for "rehabilitating, reinvesting, and repurposing of a former hospital site" to develop housing for low to moderate income seniors and single families. However, the Department of Health and Senior Services has no statutory authority to provide funding for such developments. Because the appropriation bill attempts to grant this authority to Department of Health and Senior Services, this provision violates the single subject limitation in Article III, Section 23 of the Missouri Constitution. Alternatively, this project could seek funding through the Low-Income Housing Tax Credit Program within the Missouri Housing Development Commission.

In providing for development of commercial property, this appropriation appears to grant public money to a private person or entity for non-public purposes, in violation of Article III, Section 38(a) of the Missouri Constitution. Additionally, the appropriation bill directs Department of Social Services to provide the funding for specific purposes when the Department of Social Services does not have statutory authority for such developments. Because the appropriation bill attempts to grant this substantive authority to Department of Social Services, this provision violates the single subject limitation in Article III, Section 23 of the Missouri Constitution.

AN ACT to repeal sections 160.415, 160.425, and 161.670, RSMo, and to enact in lieu thereof three new sections relating to alternative education programs.

SECTION A. ENACTING CLAUSE. — Sections 160.415, 160.425, and 161.670, RSMo, are repealed and three new sections enacted in lieu thereof, to be known as sections 160.415, 160.425, and 161.670, to read as follows:

160.415. DISTRIBUTION OF STATE SCHOOL AID FOR CHARTER SCHOOLS — POWERS AND DUTIES OF GOVERNING BODY OF CHARTER SCHOOLS. — 1. For the purposes of calculation and distribution of state school aid under section 163.031, pupils enrolled in a charter school shall be included in the pupil enrollment of the school district within which each pupil resides. The charter school shall report the average daily attendance data, free and reduced price lunch count, special education pupil count, and limited English proficiency pupil count to the state department of elementary and secondary education. Each charter school shall promptly notify the state department of elementary and secondary education and the pupil's school district when a ~~[student]~~ **pupil** discontinues enrollment at a charter school.

EXPLANATION--Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law. Matter in bold-face type is proposed language.

2. Except as provided in subsections 3 and 4 of this section, the aid payments for charter schools shall be as described in this subsection.

(1) A school district having one or more resident pupils attending a charter school shall pay to the charter school an annual amount equal to the product of the charter school's weighted average daily attendance and the state adequacy target, multiplied by the dollar value modifier for the district, plus local tax revenues per weighted average daily attendance from the incidental and teachers' funds in excess of the performance levy as defined in section 163.011 plus all other state aid attributable to such pupils.

(2) The district of residence of a pupil attending a charter school shall also pay to the charter school any other federal or state aid that the district receives on account of such ~~[child]~~ **pupil**.

(4) The amounts provided pursuant to this subsection shall be prorated for partial year enrollment for a pupil.

(5) A school district shall pay the amounts due pursuant to this subsection as the disbursal agent and no later than twenty days following the receipt of any such funds. The department of elementary and secondary education shall pay the amounts due when it acts as the disbursal agent within five days of the required due date.

3. A workplace charter school shall receive payment for each eligible pupil as provided under subsection 2 of this section, except that if the ~~[student]~~ **pupil** is not a resident of the district and is participating in a voluntary interdistrict transfer program, the payment for such pupils shall be the same as provided under section 162.1060.

5. If a school district fails to make timely payments of any amount for which it is the disbursal agent, the state department of elementary and secondary education shall authorize payment to the charter school of the amount due pursuant to subsection 2 of this section and shall deduct the same amount from the next state school aid apportionment to the owing school district. If a charter school is paid more or less than the amounts due pursuant to this section, the amount of overpayment or underpayment shall be adjusted equally in the next twelve payments by the school district or the department of elementary and secondary education, as appropriate. The charter school may contract with any other entity for services. Such services may include but are not limited to food service, custodial service, maintenance, management assistance, curriculum assistance, media services and libraries and shall be subject to

negotiation between the charter school and the local school board or other entity. Documented actual costs of such services shall be paid for by the charter school.

(4) Disclose and explain any termination or nonrenewal of contracts for equivalent services for any other charter school in the United States within the past five years;

(5) Ensure that the legal counsel for the charter school shall report directly to the charter school's governing board; and

(6) Provide a process to ensure that the expenditures that the education service provider intends to bill to the charter school shall receive prior approval of the governing board or its designee.

13. Charter schools shall not have the power to acquire property by eminent domain.

14. The governing **[body]** board of a charter school is authorized to accept grants, gifts or donations of any kind and to expend or use such grants, gifts or donations. A grant, gift or donation ~~[may]~~ **shall** not be accepted by the governing **[body]** board if it is subject to any condition contrary to law applicable to the charter school or other public schools, or contrary to the terms of the charter.

15. In addition to any state aid remitted to charter schools under this section, the department of elementary and secondary education shall remit to any charter school an amount equal to the weighted average daily attendance of the charter school multiplied by the difference of:

Full-time equivalent student credit completed shall be reported to the department of elementary and secondary education in the manner prescribed by the department. Nothing in this section shall prohibit students from enrolling in additional courses under a separate agreement that includes terms for paying tuition or course fees.

(5) A full-time virtual school program serving full-time equivalent students shall be considered an attendance center in the host school district and shall participate in the statewide assessment system as defined in section 160.518. (6) For the purposes of this section, a public institution of higher education operating a full-time virtual school program shall be subject to all requirements applicable to a host school district with respect to its full-time equivalent students.

(b) Prior to enrolling in any Missouri course access and virtual school program course, a student has received approval from his or her school district or charter school through the procedure described under subdivision (2) of this subsection.

EXPLANATION--Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law. Matter in bold-face type is proposed language.

(2) Each school district or charter school shall adopt a policy that delineates the process by which a student may enroll in courses provided by the Missouri course access and virtual school program that is substantially similar to the typical process by which a district student would enroll in courses offered by the school district and a charter school student would enroll in courses offered by the charter school. The policy may include consultation with the school's counselor and may include parental notification or authorization. ~~[School counselors shall not be required to approve or disapprove a student's enrollment in the Missouri course access and virtual school program.]~~ **The policy shall ensure that available opportunities for in-person instruction are considered prior to moving a student to virtual courses. In addition, the school district or charter school administration shall provide its good cause justification for denial at a school board meeting or governing body meeting. Both the family and school administration shall also provide their reasons in writing to the members of the school board or governing body and the documents shall be entered into the official board minutes. The members of the board or governing body shall issue their decision in writing within thirty calendar days, and then an appeal may be made to the department of elementary and secondary education, which shall provide a final enrollment decision within seven calendar days], and shall be consistent with the determination that would be made for such course request under the process by which a district student would enroll in a similar course offered by the school district and a charter school student would enroll in a similar course offered by the charter school, except that the determination may consider the suitability of virtual courses for the student based on prior participation in virtual courses by the student. Appeals of any course denials under this subsection shall be considered under a policy that is substantially similar to the typical process by which appeals would be considered for a student seeking to enroll in courses offered by the school district and a charter school student seeking to enroll in courses offered by the charter school.~~

(3) For students enrolled in any Missouri course access and virtual school program course in which costs associated with such course are to be paid by the school district or charter school as described under **this** subdivision ~~[(4) of this subsection]~~, the school district or charter school shall pay the content provider directly on a pro rata monthly basis based on a student's completion of assignments and assessments. If a student discontinues enrollment, the district or charter school may stop making monthly payments to the content provider. No school district or charter school shall pay, for any one course for a student, more than the market necessary costs but in no case shall pay more than fourteen percent of the state adequacy target, as defined under section 163.011, as calculated at the end of the most recent school year for any single, year-long course and no more than seven percent of the state adequacy target as described above for any single semester equivalent course. ~~[Payment for a full time virtual school student shall not exceed the state adequacy target, unless the student receives additional federal or state aid. Nothing in this subdivision shall prohibit a school district or charter school from negotiating lower costs directly with course or full time virtual school providers, particularly in cases where several students enroll in a single course or full time virtual school.]~~

(4) For students enrolling in a full-time virtual program, the department of elementary and secondary education shall adopt a policy that delineates the process by which a student who lives in this state may enroll in a virtual program of their choice as provided in this subdivision. Each host school district operating a full-time virtual program under this section shall operate and implement the state enrollment policy, subject to the provisions of this subdivision. The policy shall:

(a) Require the good faith collaboration of the student, the student's parent or guardian if the student is not considered homeless, the virtual program, the host district, and the resident district;

(b) Specify timelines for timely participation by the virtual program, the host district, and resident district; provided that the resident district shall provide any relevant information and input on the enrollment within ten business days of notice from the virtual program of the enrollment application;

(c) Include a survey of the reasons for the student's and parent's interests in participating in the virtual program;

(d) Include consideration of available opportunities for in-person instruction prior to enrolling a student in a virtual program;

(e) Evaluate requests for enrollment based on meeting the needs for a student to be successful considering all relevant factors;

(f) Ensure that, for any enrolling student, an education services plan and collaborative agreement is created to provide all services required to ensure a free and appropriate public education, including financial terms for reimbursement by the host district for the necessary costs of any virtual program, school district, or public or private entity providing all or a portion of such services;

(g) Require the virtual program to determine whether an enrolling student will be admitted, based on the enrollment policy, in consideration of all relevant factors and provide the basis for its determination and any service plan for the student, in writing, to the student, the student's parent or guardian, the host district, and the resident district;

(h) Provide a process for reviewing appeals of decisions made under this subdivision; and

(i) Require the department to publish an annual report based on the enrollments and enrollment surveys conducted under this subdivision, that provides data at the statewide and district levels of sufficient detail to allow analysis of trends regarding the reasons for participation in the virtual program at the statewide and district levels; provided that no such survey results will be published in a manner that reveals individual student information. The department shall also include, in the annual report, data at the statewide and district levels of sufficient detail to allow detection and analysis of the racial, ethnic, and socio-economic balance of virtual program participation among schools and districts at the statewide and district levels, provided that no such survey results will be published in a manner that reveals individual student information.

~~[(4)]~~ (5) In the case of a student who is a candidate for A+ tuition reimbursement and taking a virtual course under this section, the school shall attribute no less than ninety-five percent attendance to any such student who has completed such virtual course.

~~[(5)]~~ (6) The Missouri course access and virtual school program shall ensure that individual learning plans designed by certified teachers and professional staff are developed for all students enrolled in more than two full-time course access program courses or a full-time virtual school.

The governing body of the city or county may create a neighborhood improvement district when the question of creating such district has been approved by the vote of the percentage of electors within such district voting thereon that is equal to the percentage of voter approval required for the issuance of general obligation bonds of such city or county under Article VI, Section 26 of the constitution of this state. The notice of election containing the question of creating a neighborhood improvement district shall contain the project name for the proposed improvement, the general nature of the proposed improvement, the estimated cost of such improvement, the boundaries of the proposed neighborhood improvement district to be assessed, the proposed method or methods of assessment of real property within the district, including any provision for the annual assessment of maintenance costs of the improvement in each year after the bonds issued for the original improvement are paid in full, and a statement that the final cost of such improvement assessed against real property within the district and the amount of general obligation bonds issued therefor shall not exceed the estimated cost of such improvement, as stated in such notice, by more than twenty-five percent, and that the annual assessment for maintenance costs of the improvements shall not exceed the estimated annual maintenance cost, as stated in such notice, by more than twenty-five percent. 3. As an alternative to the procedure described in subsection 2 of this section, the governing body of a city or county may create a neighborhood improvement district when a proper petition has been signed by the owners of record of at least two-thirds by area of all real property located within such proposed district. Each owner of record of real property located in the proposed district is allowed one signature. Any person, corporation, or limited liability partnership owning more than one parcel of land located in such proposed district shall be allowed only one signature on such petition. 5. The boundaries of the proposed district shall be described by metes and bounds, streets or other sufficiently specific description. The area of the neighborhood improvement district finally determined by the governing body of the city or county to be assessed may be less than, but shall not exceed, the total area comprising such district.

4. The petition when so filed shall have the same force and effect with respect to each parcel of real estate therein described as a separate suit instituted to foreclose the tax lien or liens against any one of said parcels of real estate.

92.765. RECORDS OF ACTIONS TAKEN, WHERE FILED. — Affidavits of publication of notice of foreclosure, and of posting, mailing, or other acts required by the provisions of sections 92.700 to 92.920 shall be filed in the office of the circuit clerk prior to the trial, and when so filed shall constitute part of the evidentiary documents in the foreclosure suit. Such affidavits shall be prima facie evidence of the performance of acts therein described, and may be so used in the trial of the suit, unless challenged by verified answer duly filed in the suit. **The collector shall file with the court an affidavit of compliance with notice requirements of sections 92.700 to 92.920 prior to any sheriff's sale. The affidavit shall include the identities of all parties to whom notice was attempted and by what means. In the case of mailed notice returned undeliverable, the collector's affidavit shall certify that additional notice was attempted and by what means. The expense of complying with this section shall be taxed and collected as other costs in the suit.**

92.770. ATTORNEYS, EMPLOYMENT AUTHORIZED, COMPENSATION. — 1. The collector may employ such attorneys as he deems necessary to collect such taxes and to prosecute suits for taxes.

2. Such attorneys shall receive as total compensation a sum, not to exceed six percent of the amount of taxes actually collected and paid into the treasury, and an additional sum not to exceed two dollars for each suit filed when publication is not necessary and not to exceed five dollars where publication is necessary, as may be agreed upon in writing and approved by the collector, before such services are rendered.

3. The ~~attorney~~ **attorney's** fees shall be taxed as costs in the suit and collected as other costs.

92.775. TRIAL, EVIDENCE, JUDGMENT — SEVERANCES — JURY NOT AUTHORIZED — PRECEDENCE OF ACTION. — 1. Upon the trial of the cause upon the question of foreclosure, the tax bill shall be prima facie proof that the tax described in the tax bill has been validly assessed at the time indicated by the tax bill and that the tax is unpaid. Any person alleging any jurisdictional defect or invalidity in the tax bill or in the sale thereof must particularly specify in his answer the defect or basis of invalidity, and must, upon trial, affirmatively establish such defense.

2. After the court has first determined the validity of the tax liens of all tax bills affecting parcels of real estate described in the petition, the priorities of the respective tax bills and the amounts due thereon, including principal, interest, penalties, attorney's fees, and costs, the court shall thereupon enter judgment of foreclosure of such liens and fix the time and place of the foreclosure sale. The petition shall be dismissed as to any parcel of real estate redeemed prior to the time fixed for the sheriff's foreclosure sale as provided in sections 92.700 to 92.920. If the parcel of real estate auctioned off at sheriff's foreclosure sale is sold for a sum sufficient to fully pay the principal amount of all tax bills included in the judgment, together with interest, penalties, attorney's fees and costs, and for no more, and such sale is confirmed by the court, then all other proceedings as to such parcels of real estate shall be finally dismissed as to all parties and interests other than tax bill owners or holders; provided, however, that any parties seeking relief other than an interest in or lien upon the real estate may continue with said suit to a final adjudication of such other issues; provided, further, an appeal may be had as to any claim attacking the validity of the tax bill or bills or the priorities as to payment of proceeds of foreclosure sale. If the parcel of real estate auctioned off at sheriff's foreclosure sale is sold for a sum greater than the total amount necessary to pay the principal amount of all tax bills included in the judgment, together with interest, penalties, attorney's fees and costs, and such sale is confirmed by the court, and no appeal is taken by any person claiming any right, title or interest in or to or lien upon said parcel of real estate or by any person or taxing authority owning or holding or claiming any right, title or interest in or to any tax bills within the time fixed by law for the filing of notice of appeal, the court shall thereupon order the sheriff to make distribution to the owners or holders of the respective tax bills included in the judgment of the amounts found to be due and in the order of priorities. Thereafter all proceedings in the suit shall be ordered by the court to be dismissed as to such persons or taxing authorities owning, holding or claiming any right, title or interest in any such tax bill or bills so paid, and the case shall proceed as to any parties claiming any right, title, or interest in or lien upon the parcel of real estate affected by such tax bill or bills as to their respective claims to such surplus funds then remaining in the hands of the sheriff. **The receipt of such surplus funds shall constitute a bar to any claim of right, title, or interest in, or lien upon, said parcel of real estate, by the fund recipient.**

3. Whenever an answer is filed to the petition, as herein provided, a severance of the action as to all parcels of real estate affected by such answer shall be granted, and the issues raised by the petition and such answer shall be tried separate and apart from the other issues in the suit, but the granting of such severance shall not delay the trial or other disposition of any other issue in the case. A separate appeal may be taken from any other issue in the case. A separate appeal may be taken from any action of the court affecting any right, title or interest in or to, or lien upon, such real estate, other than issues of law and fact affecting the amount or validity of the lien of tax bills, but the proceeding to foreclose the lien of any tax bills shall not be stayed by such appeal. The trial shall be conducted by the court without the aid of a jury and the suit shall be in equity. This action shall take precedence over and shall be triable before any other action in equity affecting the title to such real estate, upon motion of any interested party.

92.810. WAITING PERIOD AFTER FINAL JUDGMENT — NOTICE OF SALE TO OWNERS, FORM OF — FAILURE TO REDEEM, TRANSFER, PURPOSE, REIMBURSEMENT. — 1. After the judgment of foreclosure has been entered, or, after a motion for a new trial has been overruled, or, if an appeal be taken from such judgment and the judgment has been affirmed, after the sheriff shall have been notified by any party to the suit that such judgment has been affirmed on appeal and that the mandate of the appellate court is on file with the circuit clerk, there shall be a waiting period of six months before any advertisement of sheriff's sale shall be published.

2. If any such parcel of real estate be not redeemed, or if no written contract providing for redemption be made within six months after the date of the judgment of foreclosure, if no motion for rehearing be filed, and, if filed, within six months after such motion may have been overruled, or, if an

3. No later than one hundred twenty days prior to the sheriff's sale, the collector shall obtain a title abstract or report on any unredeemed parcels. Such title abstract or report shall be obtained from a licensed title company or attorney and subject to a public and competitive bidding process administered by the collector and conducted triennially. The title report shall include all conveyances, liens, and charges against the real estate, and the names and mailing addresses of any interested parties and lienholders. The charges of said abstract or report shall be taxed as costs and shall be paid as other costs in the case.

4. No later than twenty days prior to the sheriff's sale, the collector shall send notice of the sale to the lienholders and interested parties, as disclosed upon the title abstract or report of the real estate for which tax bills thereon are delinquent. The notice shall provide the date, time, and place of the sale. The notice shall also state that the parcel may be redeemed prior to the sale as specified in section 92.750 or by entering into an agreement with the collector to pay the taxes included in the foreclosure suit under section 92.740. The notice required by this subsection shall be mailed in an envelope with postage prepaid. The cost of the mailing and notice as required by this subsection shall be included as costs in the case.

5. No later than ~~twenty~~ **forty** days prior to the sheriff's sale, the ~~[sheriff]~~ **collector** shall send notice of the sale to the ~~[owner or owners,]~~ **parties having interest in the parcel** as disclosed upon the records of the assessor, **or otherwise known to the collector**, of the real estate for which tax bills thereon are delinquent. ~~[The search of the records of the assessor must be made not more than forty days prior to the sending of this notice]~~ **The notice shall be sent to the addresses most likely to apprise the parties of the proceedings as provided.** The notice shall provide the date, time and place of the sale. The notice shall also state that ~~[the property owner]~~ **an interested party** may avoid the sale by redeeming such parcel of real estate prior to the sale as specified in section 92.750 or, **if applicable**, by entering into an agreement with the collector to pay the taxes included in the foreclosure suit under section 92.740. The notice required by this subsection shall be mailed in an envelope with postage prepaid. The cost of ~~[the title search,]~~ mailing and notice as required by this subsection shall be included as costs ~~[at the sale of the real estate]~~ **in the case.**

6. No later than twenty days prior to the sheriff's sale, the sheriff shall enter upon the parcel subject to foreclosure of these tax liens and post a written informational notice in a conspicuous location, attached to a structure, and intended to be visible by the nearest public right-of-way. This notice shall describe the property; shall advise that it is the subject of delinquent land tax collection proceedings brought pursuant to sections 92.700 to 92.920 and that it may be sold for the payment of delinquent taxes at a sale to be held at a certain time, date, and place; and shall contain the serial number and the phone number and address of the collector, as well as a statement of the prohibition against removal unless the parcel has been redeemed. The notice shall be not less than eight inches by ten inches and shall be laminated or otherwise sufficiently weatherproof to withstand normal exposure to rain, snow, and other conditions. The sheriff shall document, by time-stamped photograph, compliance with this section, make said documentation generally available upon request, and provide verification by affidavit of compliance with this section. The cost of notice as required by this subsection shall be included as costs in the case.

7. In addition to the other notice requirements of this section, no later than twenty days prior to the sheriff's sale, the sheriff shall attempt in-person notice that shall describe the property; that

shall advise that it is the subject of delinquent land tax collection proceedings brought pursuant to sections 92.700 to 92.920 and that it may be sold for the payment of delinquent taxes at a sale to be held at a certain time, date, and place; and that shall contain the serial number and phone number and address of the collector. In-person notice may be provided to any person found at the property. The sheriff shall note the date and time of attempted notice and the name, description, or other identifying information regarding the person to whom notice was attempted. The sheriff shall document compliance with this section, make said documentation generally available upon request, and provide verification by affidavit of compliance with this section. Any such property transferred pursuant to this subsection shall be renovated and sold by the residential renovation loan commission in the manner prescribed in sections 67.970 to 67.983. The residential renovation loan commission shall reimburse the land reutilization authority for all expenses directly incurred in relation to such property under sections 92.700 to 92.920 prior to the transfer.

92.815. REDEMPTION CONTRACTS, INSTALLMENT PAYMENTS. — 1. During such waiting period and at any time prior to the time of foreclosure sale by the sheriff, any interested party may redeem any parcel of real estate as provided by sections 92.700 to 92.920; except that during such time and at any time prior to the time of foreclosure sale by the sheriff, the collector shall enter into a written redemption contract with the owner of any real estate occupied as a homestead and who has not previously defaulted upon any such written redemption contract, provided that in no instance shall such installments exceed twelve in number or extend more than twenty-four months next after any agreement for such installment payments shall have been entered into; provided further, that upon good cause being shown by the owner of any parcel of real estate occupied as a homestead, or in the case of improved real estate with a total assessed valuation of not more than five thousand dollars, owned by an individual, the income from such property being a major factor in the total income of such individual, or by anyone on his behalf, the court may, in its discretion, fix the time and terms of payment in such contract to permit all of such installments to be paid within not longer than forty-eight months after any order or agreement as to installment payments shall have been made. **The collector shall not enter into a redemption contract with respect to any improved parcel not occupied as a homestead.**

2. So long as such installments be paid according to the terms of the contract, the six months' waiting period shall be extended, but if any installment be not paid when due, the extension of the waiting period shall be ended and the real estate shall immediately be advertised for sale or included in the next notice of sheriff's foreclosure sale. Notice shall also be sent to the redemption contract ~~[payer]~~ payer as specified in subsection [3] 4 of section 92.810.

3. On an annual basis, the collector shall make publicly available the number of parcels under redemption contract under this section.

92.817. FORECLOSURE SALE STAYED, WHEN — PROCEDURE. — 1. The court shall stay the sale of any parcel to be sold under execution of a tax foreclosure judgment obtained under this chapter, which is the subject of an action filed under sections 447.620 to 447.640, provided that the party that has brought such an action has, upon an order of the court, paid into the circuit court the principal amount of all land taxes then due and owing under the tax foreclosure

judgment, exclusive of penalties and interest, prior to the date of any proposed sale under execution.

2. Upon the granting by the court of temporary possession of any property under section 447.632, upon order, the circuit court shall direct payment to the collector of all principal land taxes theretofore paid to the circuit court. In addition, in any order granting a final judgment or deed under section 447.625 or 447.640, the court shall also order the permanent extinguishment of penalties and interest arising from actions to collect delinquent land taxes due on the parcel against the grantee of said deed, and all successors in interest; excepting however, any defendant in such action.

3. If an owner of the parcel moves the court for restoration of possession under section 447.638, the owner shall pay into the circuit court all land tax amounts currently due and owing on the property, including all statutory penalties, interest, attorney's fees, and court costs retroactive to the date of accrual. Upon an order granting the restoration of possession to an owner under section 447.638, the court shall order that the funds paid to the court under subsection 2 of this section be returned to the payer, and that the funds paid to the court under this subsection be paid out to the collector.

4. If the party that brought the action under sections 447.620 to 447.640 dismisses its action prior to gaining temporary possession of the property, it shall recover any amounts paid into the circuit court prior to that date for principal land taxes.

92.825. SALE, HOW CONDUCTED — INTEREST CONVEYED — COSTS, HOW ADVANCED — PURCHASE PRICE, PAYABLE WHEN, AMOUNT. — 1. The sale shall be conducted, the sheriff's return thereof made, and the sheriff's deed pursuant to the sale executed, all as provided in the case of sales of real estate taken under execution except as otherwise provided in sections 92.700 to 92.920, and provided that such sale need not occur during the term of court or while the court is in session.

2. Such sale shall convey the whole interest of every person having or claiming any right, title or interest in or lien upon such real estate, whether such person has answered or not, subject to rights-of-way thereon of public utilities upon which tax has been otherwise paid, and subject only to the tax lien thereon, if any, of the United States of America.

3. The collector shall advance from current tax collections the sums necessary to pay for the publication of all advertisements required by the provisions of sections 92.700 to 92.920 and shall be allowed credit therefor in his accounts with the taxing authorities on a pro rata basis. He shall give credit in such accounts for all such advances recovered by him. Such expenses of publication shall be apportioned pro rata among and taxed as costs against the respective parcels of real estate described in the judgment; provided, however, that none of the costs herein enumerated, including the costs of publication, shall constitute any lien upon the real estate after such sale.

4. **No person shall be eligible to bid at the time of the sheriff's sale unless such person has, no later than ten days before the sale date, demonstrated to the satisfaction of the collector or sheriff that the person is not the owner of any parcel of real estate in the city that is subject to delinquent property taxes, unpaid special tax bills, or vacant building fees. A prospective bidder shall be prohibited from participating in the delinquent land tax sale if he or she has previously bid at a sheriff's sale and failed to pay bid amounts, confirm the sale, or sign a sheriff's deed. The collector or sheriff may require prospective bidders to submit an affidavit attesting to the requirements of this section and is expressly authorized to permanently preclude any prospective bidder from participating in the sale for failure to comply with this section. Notwithstanding the provisions of this section, any taxing authority or land reutilization authority shall be eligible to bid at any sale conducted under this section without making such a demonstration.** The purchaser at a sale conducted by the sheriff shall pay cash immediately at the end of bidding of each parcel on the day of the sale in an amount including all taxes **then** due and owing, **which may be in an amount in excess**

92.835. TITLE, HOW HELD BY REUTILIZATION AUTHORITY — TITLE, HOW TAKEN BY OTHERS. — 1. The title to any real estate which shall vest in the land reutilization authority under the provisions of sections 92.700 to 92.920 shall be held by the land reutilization authority of the city in trust for the tax bill owners and taxing authorities having an interest in any tax liens which were foreclosed, as their interests may appear in the judgment of foreclosure.

2. The title to any real estate which shall vest in any purchaser, upon confirmation of such sale by the court, shall be an absolute estate in fee simple, subject to rights-of-way thereon of public utilities on which tax has been otherwise paid, and subject to any tax lien thereon of the United States of America, if any, and all persons, including the state of Missouri, **any taxing authority or tax district as defined herein, judgment creditors, lienholders,** minors, incapacitated and disabled persons, and nonresidents who may have had any right, title, interest, claim, or equity of redemption in or to, or lien upon, such lands shall be barred and forever foreclosed of all such right, title, interest, claim, lien or equity of redemption, and the court shall order immediate possession of such real estate be given to such purchaser; ~~provided, however, that such title shall also be subject to the liens of any tax bills which may have attached to such parcel of real estate prior to the time of the filing of the petition affecting such parcel of real estate not then delinquent, or which may have attached after the filing of the petition and prior to sheriff's sale and not included in any answer to such petition, but].~~ If such parcel of real estate is sold to the land reutilization authority the title thereto shall be free of any ~~[such]~~ liens to the extent of the interest of any taxing authority in such real estate; provided further, that such title shall not be subject to the lien of special tax bills ~~[which has attached to the parcel of real estate prior to January 1, 1972, but the lien of such special tax bills shall attach to the proceeds of the sheriff's sale or to the proceeds of the ultimate sale of such parcel by the land reutilization authority].~~

92.840. CONFIRMATION OF SALES, WHEN — PROCEEDS OF SALE, HOW APPLIED — OCCUPANCY PERMIT, DEFINED, WHEN REQUIRED, EFFECT, FAILURE TO OBTAIN, RESULT. — 1. **Within six months** after the sheriff sells any parcel of real estate, the court shall, upon its own motion or upon motion of any interested party, set the cause down for hearing to confirm **or set aside** the foreclosure sale of the real estate, even though such parcels are not all of the parcels of real estate described in the notice of sheriff's foreclosure sale. Notice of the hearing shall be sent by any interested party, or the court, moving to confirm the foreclosure sale, to each person who ~~[received]~~ **was sent** notice of sale as specified in ~~[subsection 3]~~ **subsections 4 and 5** of section 92.810 **and to any other necessary parties as required by prevailing notions of due process.** At the time of such hearing, the sheriff shall make report of the sale, and the court shall hear evidence of the value of the property offered on behalf of any interested party to the suit, and shall immediately determine whether an adequate consideration has been paid for each such parcel. **Any parcel deemed to have been purchased by the land reutilization authority pursuant to section 92.830 shall not require any inquiry as to value. The court's judgment shall include a specific finding that adequate notice was provided to all necessary parties pursuant to prevailing notions of due process and sections 92.700 to 92.920, reciting the notice efforts of the collector, sheriff, and tax sale purchaser. Nothing in this section shall be interpreted to preclude a successful tax sale purchaser from asserting a claim to quiet title to the bid upon parcel pursuant to section 527.150.**

2. For this purpose, the court shall have power to summon any city official or any private person to testify as to the reasonable value of the property, and if the court finds that adequate consideration has been paid, he shall confirm the sale and order the sheriff to issue a deed with restriction as provided herein to the purchaser subject to the application of an occupancy permit for all parcels as provided in subsection ~~[§]~~ **7** of this section. If the court finds that the consideration paid is inadequate, the purchaser

may increase his bid to such amount as the court may deem to be adequate, whereupon the court may confirm the sale. If, however, the purchaser declines to increase his bid and make such additional payment, then the sale shall be disapproved, the lien of the judgment continued, and such parcel of real estate shall be again advertised and offered for sale by the sheriff to the highest bidder at public auction for cash at any subsequent sheriff's foreclosure sale.

3. If the sale is confirmed, the court shall order the proceeds of the sale applied in the following order:

(1) To the payment of the costs of the publication of the notice of foreclosure and of the sheriff's foreclosure sale;

(2) To the payment of all **of the collector and sheriff's** costs including appraiser's fee and attorney's fees;

(3) To the payment of all tax bills adjudged to be due in the order of their priority, including principal, interest and penalties thereon. If, after such payment, there is any sum remaining of the proceeds of the sheriff's foreclosure sale, the court shall thereupon try and determine the other issues in the suit in accordance with section 92.775. The following definitions shall be applied to the terms used in this section:

(1) "Governing body", the board, body, or persons in which the powers of a political subdivision as a body corporate, or otherwise, are vested;

(2) "Political subdivision", any agency or unit of this state, except counties and school districts, which now is, or hereafter shall be, authorized to levy taxes or empowered to cause taxes to be levied.

2. The governing body of each political subdivision in the state shall cause to be prepared an annual report of the financial transactions of the political subdivision in such summary form as the state auditor shall prescribe by rule, except that the annual report of political subdivisions whose cash receipts for the reporting period are ten thousand dollars or less shall only be required to contain the cash balance at the beginning of the reporting period, a summary of cash receipts, a summary of cash disbursements and the cash balance at the end of the reporting period.

3. Within such time following the end of the fiscal year as the state auditor shall prescribe by rule, the governing body of each political subdivision shall cause a copy of the annual financial report to be remitted to the state auditor.

4. The state auditor shall immediately on receipt of each financial report acknowledge the receipt of the report.

5. In any fiscal year no member of the governing body of any political subdivision of the state shall receive any compensation or payment of expenses after the end of the time within which the financial statement of the political subdivision is required to be filed with the state auditor and until such time as

the notice from the state auditor of the filing of the annual financial report for the fiscal year has been received.

6. The state auditor shall prepare sample forms for financial reports and shall mail the same to the political subdivisions of the state. Failure of the auditor to supply such forms shall not in any way excuse any person from the performance of any duty imposed by this section.

7. All reports or financial statements hereinabove mentioned shall be considered to be public records.

8. The provisions of this section apply to the board of directors of every transportation development district organized under sections 238.200 to 238.275.

9. Any political subdivision that fails to timely submit a copy of the annual financial statement to the state auditor shall be subject to a fine of five hundred dollars per day.

10. The state auditor shall report any violation of subsection 9 of this section to the department of revenue. The director of revenue shall retain two percent for the cost of such collection. If a fine is assessed and paid prior to the filing of the statement, the department of revenue shall refund the fine upon notification from the political subdivision.**

14. **If a political subdivision has an outstanding balance for fines or penalties at the time it files its first annual financial statement after January 1, 2023, the director of revenue shall make**

Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

92.720. UNREDEEMED LANDS, HOW PROCEEDED AGAINST, LISTS — LIMITATION ON ACTIONS. — 1. If any of the lands or town lots contained in the back tax book or list of delinquent lands or lots remain unredeemed on the first day of January, the collector may file suit in the circuit court against such lands or lots to enforce the lien of the state and city as herein provided in sections 92.700 to 92.920.

2. The collector shall note opposite such tract in the back tax book the fact that suit has been commenced.

3. The collector shall compile lists of all state, city, school and other tax bills collectible by him which are delinquent according to his records and he shall assign a serial number to each parcel of real estate in each list and if suit has been filed in the circuit court of the city on any delinquent tax bill included in any list, the collector shall give the court docket number of each suit.

4. The sheriff may appoint the collector and the collector's deputies as deputy sheriffs, and when so appointed they may serve all process in matters pertaining to sections 92.700 to 92.920 with like effect as the sheriff himself might do.

5. No action for recovery of taxes against real estate shall be commenced, had or maintained, unless action therefor shall be commenced within five years after delinquency.

6. For any improved parcel identified by a city operating under sections 92.700 to 92.920 as being vacant, the collector shall, within no more than two years after delinquency, file suit in the circuit court against such lands or lots to enforce the lien of the state and the city as provided in sections 92.700 to 92.920. Failure of the collector to bring suit within the time frame prescribed herein shall not constitute a defense or bar an action for the collection of taxes as otherwise provided by this section.

92.740. PETITION, FORM, CONTENTS. — 1. A suit for the foreclosure of the tax liens herein provided for shall be instituted by filing in the appropriate office of the circuit clerk and with the land reutilization authority a petition, which petition shall contain a caption, a copy of the list prepared by the collector, and a prayer. 4. The petition when so filed shall have the same force and effect with respect to each parcel of real estate therein described as a separate suit instituted to foreclose the tax lien or liens against any one of said parcels of real estate.

5. For each petition filed, the collector shall make available to the public a list detailing each parcel included in the suit.

92.750. REDEMPTION BY INTERESTED PARTY, CERTIFICATE — FORECLOSURE SALE, EFFECT OF. — 1. **Except as otherwise provided in subsection 4 of this section,** any person having any right, title, or interest in, or lien upon, any parcel of real estate described in such petition may redeem such parcel of real estate by paying to the collector all of the sums mentioned therein, including principal, interest, penalties, attorney's fees and costs then due, at any time prior to the time of the foreclosure sale of such real estate by the sheriff.

2. In the event of failure to redeem prior to the time of the foreclosure sale by the sheriff, such person shall be barred and forever foreclosed of all his right, title and interest in and to the parcels of real estate described in such petition.

3. Upon redemption, as permitted by this section, the person redeeming shall be entitled to a certificate of redemption from the collector describing the property in the same manner as it is described in such petition, and the collector shall thereupon note on his records the word "redeemed" and the date of such payment opposite the description of such parcel of real estate.

4. For any improved nonhomestead parcel, any person having any right, title, or interest in, or lien upon, any parcel of real estate described in the petition may redeem such parcel of real estate at any time prior to the time of the foreclosure sale of such real estate by the sheriff by paying to the collector all of the sums due as of the date of redemption mentioned therein, including principal, interest, penalties, attorney's fees, and costs then due including, but not limited to, all debts owed to the city, exclusive of any debts owed to any statutorily created sewer district, that are known to the collector and that may be collected pursuant to section 67.451, such as amounts for water, forestry, nuisance abatement, special tax bills, and vacant building assessments.

92.760. NOTICE OF FILING, HOW MADE, FORM OF. — 1. Such affidavit shall be filed in the suit with the circuit clerk not later than sixty days after the date of the first publication of the notice of foreclosure. 92.765. RECORDS OF ACTIONS TAKEN, WHERE FILED. — Affidavits of publication of notice of foreclosure, and of posting, mailing, or other acts required by the provisions of sections 92.700 to

EXPLANATION--Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law.
Matter in bold-face type is proposed language.

92.920 shall be filed in the office of the circuit clerk prior to the trial, and when so filed shall constitute part of the evidentiary documents in the foreclosure suit. Such affidavits shall be prima facie evidence of the performance of acts therein described, and may be so used in the trial of the suit, unless challenged by verified answer duly filed in the suit. **The collector shall file with the court an affidavit of compliance with notice requirements of sections 92.700 to 92.920 prior to any sheriff's sale. The affidavit shall include the identities of all parties to whom notice was attempted and by what means. In the case of mailed notice returned undeliverable, the collector's affidavit shall certify that additional notice was attempted and by what means. The expense of complying with this section shall be taxed and collected as other costs in the suit.**

92.770. ATTORNEYS, EMPLOYMENT AUTHORIZED, COMPENSATION. — 1. The collector may employ such attorneys as he deems necessary to collect such taxes and to prosecute suits for taxes.

2. Such attorneys shall receive as total compensation a sum, not to exceed six percent of the amount of taxes actually collected and paid into the treasury, and an additional sum not to exceed two dollars for each suit filed when publication is not necessary and not to exceed five dollars where publication is necessary, as may be agreed upon in writing and approved by the collector, before such services are rendered.

3. The ~~attorney~~ **attorney's** fees shall be taxed as costs in the suit and collected as other costs.

92.775. TRIAL, EVIDENCE, JUDGMENT — SEVERANCES — JURY NOT AUTHORIZED — PRECEDENCE OF ACTION. — 1. Upon the trial of the cause upon the question of foreclosure, the tax bill shall be prima facie proof that the tax described in the tax bill has been validly assessed at the time indicated by the tax bill and that the tax is unpaid. Any person alleging any jurisdictional defect or invalidity in the tax bill or in the sale thereof must particularly specify in his answer the defect or basis of invalidity, and must, upon trial, affirmatively establish such defense.

2. After the court has first determined the validity of the tax liens of all tax bills affecting parcels of real estate described in the petition, the priorities of the respective tax bills and the amounts due thereon, including principal, interest, penalties, attorney's fees, and costs, the court shall thereupon enter judgment of foreclosure of such liens and fix the time and place of the foreclosure sale. The petition shall be dismissed as to any parcel of real estate redeemed prior to the time fixed for the sheriff's foreclosure sale as provided in sections 92.700 to 92.920. If the parcel of real estate auctioned off at sheriff's foreclosure sale is sold for a sum sufficient to fully pay the principal amount of all tax bills included in the judgment, together with interest, penalties, attorney's fees and costs, and for no more, and such sale is confirmed by the court, then all other proceedings as to such parcels of real estate shall be finally dismissed as to all parties and interests other than tax bill owners or holders; provided, however, that any parties seeking relief other than an interest in or lien upon the real estate may continue with said suit to a final adjudication of such other issues; provided, further, an appeal may be had as to any claim attacking the validity of the tax bill or bills or the priorities as to payment of proceeds of foreclosure sale. If the parcel of real estate auctioned off at sheriff's foreclosure sale is sold for a sum greater than the total amount necessary to pay the principal amount of all tax bills included in the judgment, together with interest, penalties, attorney's fees and costs, and such sale is confirmed by the court, and no appeal is taken by any person claiming any right, title or interest in or to or lien upon said parcel of real estate or by any person or taxing authority owning or holding or claiming any right, title or interest in or to any tax bills within the time fixed by law for the filing of notice of appeal, the court shall thereupon order the sheriff to make distribution to the owners or holders of the respective tax bills included in the judgment of the amounts found to be due and in the order of priorities. Thereafter all proceedings in the suit shall be ordered by the court to be dismissed as to such persons or taxing authorities owning, holding or claiming any right, title or interest in any such tax bill or bills so paid, and the case shall proceed as to any parties claiming any right, title, or interest in or lien upon the parcel

of real estate affected by such tax bill or bills as to their respective claims to such surplus funds then remaining in the hands of the sheriff. **The receipt of such surplus funds shall constitute a bar to any claim of right, title, or interest in, or lien upon, said parcel of real estate, by the fund recipient.**

3. Whenever an answer is filed to the petition, as herein provided, a severance of the action as to all parcels of real estate affected by such answer shall be granted, and the issues raised by the petition and such answer shall be tried separate and apart from the other issues in the suit, but the granting of such severance shall not delay the trial or other disposition of any other issue in the case. A separate appeal may be taken from any other issue in the case. A separate appeal may be taken from any action of the court affecting any right, title or interest in or to, or lien upon, such real estate, other than issues of law and fact affecting the amount or validity of the lien of tax bills, but the proceeding to foreclose the lien of any tax bills shall not be stayed by such appeal. The trial shall be conducted by the court without the aid of a jury and the suit shall be in equity. This action shall take precedence over and shall be triable before any other action in equity affecting the title to such real estate, upon motion of any interested party.

92.810. WAITING PERIOD AFTER FINAL JUDGMENT — NOTICE OF SALE TO OWNERS, FORM OF — FAILURE TO REDEEM, TRANSFER, PURPOSE, REIMBURSEMENT. — 1. 2. If any such parcel of real estate be not redeemed, or if no written contract providing for redemption be made within six months after the date of the judgment of foreclosure, if no motion for rehearing be filed, and, if filed, within six months after such motion may have been overruled, or, if an appeal be taken from such judgment and the judgment be affirmed, within six months after the sheriff shall have been notified by any party to the suit that such judgment has been affirmed on appeal and that the mandate of the appellate court is on file with the circuit clerk, the sheriff shall, after giving the ~~[notice]~~ **notices** required by ~~[subsection 3]~~ **subsections 4 and 5** of this section, commence to advertise the real estate described in the judgment and shall fix the date of sale within thirty days after the date of the first publication of the notice of sheriff's sale as herein provided, and shall at such sale proceed to sell the real estate.

3. **No later than one hundred twenty days prior to the sheriff's sale, the collector shall obtain a title abstract or report on any unredeemed parcels. Such title abstract or report shall be obtained from a licensed title company or attorney and subject to a public and competitive bidding process administered by the collector and conducted triennially. The title report shall include all conveyances, liens, and charges against the real estate, and the names and mailing addresses of any interested parties and lienholders. The charges of said abstract or report shall be taxed as costs and shall be paid as other costs in the case.**

4. **No later than twenty days prior to the sheriff's sale, the collector shall send notice of the sale to the lienholders and interested parties, as disclosed upon the title abstract or report of the real estate for which tax bills thereon are delinquent. The notice shall provide the date, time, and place of the sale. The notice shall also state that the parcel may be redeemed prior to the sale as specified in section 92.750 or by entering into an agreement with the collector to pay the taxes included in the foreclosure suit under section 92.740. The notice required by this subsection shall be mailed in an envelope with postage prepaid. The cost of the mailing and notice as required by this subsection shall be included as costs in the case.**

The notice required by this subsection shall be mailed in an envelope with postage prepaid. The cost of ~~[the title search,]~~ mailing and notice as required by this subsection shall be included as costs ~~[at the sale of the real estate]~~ **in the case.**

6. No later than twenty days prior to the sheriff's sale, the sheriff shall enter upon the parcel subject to foreclosure of these tax liens and post a written informational notice in a conspicuous location, attached to a structure, and intended to be visible by the nearest public right-of-way. This notice shall describe the property; shall advise that it is the subject of delinquent land tax collection proceedings brought pursuant to sections 92.700 to 92.920 and that it may be sold for the payment of delinquent taxes at a sale to be held at a certain time, date, and place; and shall contain the serial number and the phone number and address of the collector, as well as a statement of the prohibition against removal unless the parcel has been redeemed. 2. So long as such installments be paid according to the terms of the contract, the six months' waiting period shall be extended, but if any installment be not paid when due, the extension of the waiting period shall be ended and the real estate shall immediately be advertised for sale or included in the next notice of sheriff's foreclosure sale. Notice shall also be sent to the redemption contract ~~[payer]~~ **payer** as specified in subsection ~~[3]~~ **4** of section 92.810.

3. On an annual basis, the collector shall make publicly available the number of parcels under redemption contract under this section.

92.817. FORECLOSURE SALE STAYED, WHEN — PROCEDURE. — 1. The court shall stay the sale of any parcel to be sold under execution of a tax foreclosure judgment obtained under this chapter, which is the subject of an action filed under sections 447.620 to 447.640, provided that the party that has brought such an action has, upon an order of the court, paid into the circuit court the principal amount of all land taxes then due and owing under the tax foreclosure judgment, exclusive of penalties and interest, prior to the date of any proposed sale under execution.

2. Upon the granting by the court of temporary possession of any property under section 447.632, upon order, the circuit court shall direct payment to the collector of all principal land taxes theretofore paid to the circuit court. In addition, in any order granting a final judgment or deed under section 447.625 or 447.640, the court shall also order the permanent extinguishment of penalties and interest arising from actions to collect delinquent land taxes due on the parcel against the grantee of said deed, and all successors in interest; excepting however, any defendant in such action.

Upon an order granting the restoration of possession to an owner under section 447.638, the court shall order that the funds paid to the court under subsection 2 of this section be returned to the payer, and that the funds paid to the court under this subsection be paid out to the collector.

4. If the party that brought the action under sections 447.620 to 447.640 dismisses its action prior to gaining temporary possession of the property, it shall recover any amounts paid into the circuit court prior to that date for principal land taxes.

real estate taken under execution except as otherwise provided in sections 92.700 to 92.920, and provided that such sale need not occur during the term of court or while the court is in session.

2. Such sale shall convey the whole interest of every person having or claiming any right, title or interest in or lien upon such real estate, whether such person has answered or not, subject to rights-of-way thereon of public utilities upon which tax has been otherwise paid, and subject only to the tax lien thereon, if any, of the United States of America.

3. The collector shall advance from current tax collections the sums necessary to pay for the publication of all advertisements required by the provisions of sections 92.700 to 92.920 and shall be allowed credit therefor in his accounts with the taxing authorities on a pro rata basis. 4. **No person shall be eligible to bid at the time of the sheriff's sale unless such person has, no later than ten days before the sale date, demonstrated to the satisfaction of the collector or sheriff that the person is not the owner of any parcel of real estate in the city that is subject to delinquent property taxes, unpaid special tax bills, or vacant building fees. A prospective bidder shall be prohibited from participating in the delinquent land tax sale if he or she has previously bid at a sheriff's sale and failed to pay bid amounts, confirm the sale, or sign a sheriff's deed. The collector or sheriff may require prospective bidders to submit an affidavit attesting to the requirements of this section and is expressly authorized to permanently preclude any prospective bidder from participating in the sale for failure to comply with this section. Notwithstanding the provisions of this section, any taxing authority or land reutilization authority shall be eligible to bid at any sale conducted under this section without making such a demonstration.** The purchaser at a sale conducted by the sheriff shall pay cash immediately at the end of bidding of each parcel on the day of the sale in an amount including all taxes then due and owing, **which may be in an amount in excess of or less than the judgment amount,** and other costs, **exclusive of any amounts for debts owed to any statutorily created sewer district** ~~[as otherwise provided by law].~~

92.840. CONFIRMATION OF SALES, WHEN — PROCEEDS OF SALE, HOW APPLIED — OCCUPANCY PERMIT, DEFINED, WHEN REQUIRED, EFFECT, FAILURE TO OBTAIN, RESULT. — 1. Within six months after the sheriff sells any parcel of real estate, the court shall, upon its own motion or upon motion of any interested party, set the cause down for hearing to confirm **or set aside** the foreclosure sale of the real estate, even though such parcels are not all of the parcels of real estate described in the notice of sheriff's foreclosure sale. Notice of the hearing shall be sent by any interested party, or the court, moving to confirm the foreclosure sale, to each person who ~~received~~ **was sent** notice of sale as specified in ~~subsection 3]~~ **subsections 4 and 5** of section 92.810 **and to any other necessary parties as required by prevailing notions of due process.** At the time of such hearing, the sheriff shall make report of the sale, and the court shall hear evidence of the value of the property offered on behalf of any interested party to the suit, and shall immediately determine whether an adequate consideration has been paid for each such parcel. **Any parcel deemed to have been purchased by the land reutilization authority pursuant to section 92.830 shall not require any inquiry as to value. The court's judgment shall include a specific finding that adequate notice was provided to all necessary parties pursuant to prevailing notions of due process and sections 92.700 to 92.920, reciting the notice efforts of the collector, sheriff, and tax sale purchaser. Nothing in this section shall be interpreted to preclude a successful tax sale purchaser from asserting a claim to quiet title to the bid upon parcel pursuant to section 527.150.**

2. For this purpose, the court shall have power to summon any city official or any private person to testify as to the reasonable value of the property, and if the court finds that adequate consideration has been paid, he shall confirm the sale and order the sheriff to issue a deed with restriction as provided herein to the purchaser subject to the application of an occupancy permit for all parcels as provided in subsection ~~[5]~~ **7** of this section. If the court finds that the consideration paid is inadequate, the purchaser may increase his bid to such amount as the court may deem to be adequate, whereupon the court may confirm the sale. If, however, the purchaser declines to increase his bid and make such additional payment, then the sale shall be disapproved, the lien of the judgment continued, and such parcel of real estate shall be again advertised and offered for sale by the sheriff to the highest bidder at public auction for cash at any subsequent sheriff's foreclosure sale.

3. If the sale is confirmed, the court shall order the proceeds of the sale applied in the following order:

(1) To the payment of the costs of the publication of the notice of foreclosure and of the sheriff's foreclosure sale;

(2) To the payment of all **of the collector and sheriff's** costs including appraiser's fee and attorney's fees;

(3) To the payment of all tax bills adjudged to be due in the order of their priority, including principal, interest and penalties thereon. If, after such payment, there is any sum remaining of the proceeds of the sheriff's foreclosure sale, the court shall thereupon try and determine the other issues in the suit in accordance with section 92.775. If any answering parties have specially appealed as provided in section 92.845, the court shall retain the custody of such funds pending disposition of such appeal, and upon disposition of such appeal shall make such distribution. These liquidated damages shall be distributed on a prorated basis to the appropriate taxing authority after the sheriff deducts all costs, expenses and ~~attorney~~ attorney's fees for such lawsuits. The sheriff may employ attorneys as he deems necessary to collect liquidated damages.

9. If any sale is not confirmed within six months after the sale, any set-aside of the sale may, at the discretion of the court or collector, include a penalty of twenty-five percent of the bid amount over and above the opening bid amount, and such penalty shall be directed to the affordable housing trust fund or the equivalent, if any, of a city operating under sections 92.700 to 92.920.

10. Any interested party, other than the sheriff's sale purchaser, who moves the court to set aside a sheriff's sale after the issuance of a sheriff's deed made under the provisions of sections 92.700 to 92.920 shall be required to pay into the court the redemption amount otherwise necessary under section 92.750 prior to the court hearing any such motion to set aside. 3. No deed recorded on or after August 28, 2022, shall contain a reference to the specific portion of a restrictive covenant purporting to restrict the ownership or use of the property as prohibited under subsection 1 of this section. SECTION 10. RULEMAKING

A. The Commission shall exercise its rulemaking powers pursuant to the criteria set forth in this Section and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

B. If a majority of the legislatures of the member states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the Compact within 4 years of the date of adoption of the rule, the rule shall have no further force and effect in any member state.

C. Rules or amendments to the rules shall be adopted at a regular or special meeting of the Commission.

D. Prior to promulgation and adoption of a final rule or rules by the Commission, and at least thirty (30) days in advance of the meeting at which the rule shall be considered and voted upon, the Commission shall file a Notice of Proposed Rulemaking:

2. A state or federal governmental subdivision or agency; or
3. An association having at least twenty-five (25) members.

H. If a hearing is held on the proposed rule or amendment, the Commission shall publish the place, time, and date of the scheduled public hearing. If the hearing is held via electronic means, the Commission shall publish the mechanism for access to the electronic hearing.

3. All hearings shall be recorded. A copy of the recording shall be made available on request.

4. Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the Commission at hearings required by this section.

I. Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the Commission shall consider all written and oral comments received.

2. Prevent a loss of Commission or member state funds; or
3. Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule.

M. The Commission or an authorized committee of the Commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the chair of the Commission prior to the end of the notice period. If no challenge is made, the revision shall take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

SECTION 12. DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR AUDIOLOGY AND SPEECH-LANGUAGE PATHOLOGY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

A. The Compact shall come into effect on the date on which the Compact statute is enacted into law in the 10th member state. The provisions, which become effective at that time, shall be limited to the powers granted to the Commission relating to assembly and the promulgation of rules. Thereafter, the Commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the Compact.

B. Any state that joins the Compact subsequent to the Commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the Compact becomes law in that state. Any rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that state.

C. Any member state may withdraw from this Compact by enacting a statute repealing the same.

1. A member state's withdrawal shall not take effect until six (6) months after enactment of the repealing statute.

2. Withdrawal shall not affect the continuing requirement of the withdrawing state's audiology or speech-language pathology licensing board to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

D. Nothing contained in this Compact shall be construed to invalidate or prevent any audiology or speech-language pathology licensure agreement or other cooperative arrangement between a member state and a non-member state that does not conflict with the provisions of this Compact.

E. This Compact may be amended by the member states. No amendment to this Compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

SECTION 13. CONSTRUCTION AND SEVERABILITY

This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any member state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any member state, the Compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.

SECTION 14. BINDING EFFECT OF COMPACT AND OTHER LAWS

C. All lawful actions of the Commission, including all rules and bylaws promulgated by the Commission, are binding upon the member states.

D. All agreements between the Commission and the member states are binding in accordance with their terms.

E. In the event any provision of the Compact exceeds the constitutional limits imposed on the legislature of any member state, the provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that member state.

SECTION B. EMERGENCY CLAUSE. — Because of the urgent need of low-income Missouri residents for access to quality health care services, the enactment of section 324.005 of this act is deemed necessary for the immediate preservation of the public health, welfare, peace, and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and the enactment of section 324.005 of this act shall be in full force and effect upon its passage and approval.

(i) The Commissioners 1980 Standard Ordinary Mortality Table; or

(ii) At the election of the company for any one or more specified plans of life insurance, the Commissioners 1980 Standard Ordinary Mortality Table with Ten-Year Select Mortality Factors; or

e. For total and permanent disability benefits in or supplementary to ordinary policies or contracts, for policies or contracts issued on or after January 1, 1966, the tables of period two disablement rates and the 1930 to 1950 termination rates of the 1952 disability study of the Society of Actuaries, with due regard to the type of benefit or any tables of disablement rates and termination rates, adopted after 1980 by the NAIC, that are approved by regulation promulgated by the director for use in determining the minimum standard of valuation for such policies; for policies or contracts issued on or after January 1, 1961, and prior to January 1, 1966, either such tables or at the option of the company, the Class (3) Disability Table (1926); and for policies issued prior to January 1, 1961, the Class (3) Disability Table (1926). Indemnity Mortality Table. Either table shall be combined with a mortality table permitted for calculating the reserves for life insurance policies;

g. For group life insurance, life insurance issued on the substandard basis and other special benefits, such tables as may be approved by the director;

(b) Except as otherwise provided in paragraphs (d), (e), and (h) of this subdivision, reserves according to the commissioners reserve valuation method, for the life insurance and endowment benefits of policies providing for a uniform amount of insurance and requiring the payment of uniform premiums shall be the excess, if any, of the present value, at the date of valuation, of such future guaranteed benefits provided for by such policies, over the then present value of any future modified net premiums therefor. The modified net premiums for any such policy shall be such uniform percentage of the respective contract premiums for such benefits that the present value, at the date of issue of the policy, of all such modified net premiums shall be equal to the sum of the then present value of such benefits provided for by the policy and the excess of a. over b., as follows:

a. A net level annual premium equal to the present value, at the date of issue, of such benefits provided for after the first policy year, divided by the present value, at the date of issue, of an annuity of one per annum payable on the first and each subsequent anniversary of such policy on which a premium falls due; provided, however, that such net level annual premium shall not exceed the net level annual premium on the nineteen year premium whole life plan for insurance of the same amount at an age one year higher than the age at issue of such policy;

b. A net one year term premium for such benefit provided for in the first policy year; provided, that for any life insurance policy issued on or after January 1, 1986, for which the contract premium in the first policy year exceeds that of the second year and for which no comparable additional benefit is provided in the first year for such excess and which provides an endowment benefit or a cash surrender value or a combination thereof in an amount greater than such excess premium, the reserve according to the commissioners reserve valuation method as of any policy anniversary occurring on or before the assumed ending date defined herein as the first policy anniversary on which the sum of any endowment benefit and any cash surrender value then available is greater than such excess premium shall, except as otherwise provided in paragraph (h) of this subdivision, be the greater of the reserve as of such policy anniversary calculated as described in paragraph (b) of this subdivision and the reserve as of such policy anniversary calculated as described in paragraph (b) of this subdivision, but with:

(i) The value defined in subparagraph a. of paragraph (b) of this subdivision being reduced by fifteen percent of the amount of such excess first year premium;

(ii) All present values of benefits and premiums being determined without reference to premiums or benefits provided for by the policy after the assumed ending date;

(iii) The policy being assumed to mature on such date as an endowment; and

(iv) The cash surrender value provided on such date being considered as an endowment benefit.

In making the above comparison the mortality and interest bases stated in paragraph (a) of this subdivision and subsection 2 of this section shall be used;

(c) Reserves according to the commissioners reserve valuation method for:

a. Life insurance policies providing for a varying amount of insurance or requiring the payment of varying premiums;

b. Group annuity and pure endowment contracts purchased under a retirement plan or plan of deferred compensation, established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under Section 408 of the Internal Revenue Code, as now or hereafter amended;

c. Disability and accidental death benefits in all policies and contracts; and

d. All other benefits, except life insurance and endowment benefits in life insurance policies and benefits provided by all other annuity and pure endowment contracts, shall be calculated by a method consistent with the principles of paragraph (b) of this subdivision;

(d) Paragraph (e) of this subdivision shall apply to all annuity and pure endowment contracts other than group annuity and pure endowment contracts purchased under a retirement plan or plan of deferred compensation, established or maintained by an employer (including a partnership or sole proprietorship), or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under Section 408 of the Internal Revenue Code, as now or hereafter amended;

(e) Reserves according to the commissioners annuity reserve method for benefits under annuity or pure endowment contracts, excluding any disability and accidental death benefits in such contracts, shall be the greatest of the respective excesses of the present values, at the date of valuation, of the future guaranteed benefits, including guaranteed nonforfeiture benefits, provided for by such contracts at the end of each respective contract year, over the present value, at the date of valuation, of any future valuation considerations derived from future gross considerations, required by the terms of such contract, that become payable prior to the end of such respective contract year. The future guaranteed benefits shall be determined by using the mortality table, if any, and the interest rate, or rates, specified in such contracts for determining guaranteed benefits. The valuation considerations are the portions of the respective gross considerations applied under the terms of such contracts to determine nonforfeiture values;

(f) In no event shall a company's aggregate reserves for all life insurance policies, excluding disability and accidental death benefits, be less than the aggregate reserves calculated in accordance with the method set forth in paragraphs (b), (c), (d), (e), (h) and (i) of this subdivision and the mortality table or tables and rate or rates of interest used in calculating nonforfeiture benefits for such policies;

(g) In no event shall the aggregate reserves for all policies, contracts and benefits be less than the aggregate reserves determined by the qualified actuary to be necessary to render the opinion required by subsections 4 and 5 of this section;

(h) If in any contract year the gross premium charged by any life insurance company on any policy or contract is less than the valuation net premium for the policy or contract calculated by the method used in calculating the reserve thereon but using the minimum valuation standards of mortality and rate of interest, the minimum reserve required for such policy or contract shall be the greater of either the reserve calculated according to the mortality table, rate of interest, and method actually used for such policy or contract, or the reserve calculated by the method actually used for such policy or contract but using the minimum valuation standards of mortality and rate of interest and replacing the valuation net premium by the actual gross premium in each contract year for which the valuation net premium exceeds the actual gross premium. The minimum valuation standards of mortality and rate of interest referred to in this section are those standards stated in paragraph (a) of this subdivision and subsection 2 of this section; provided, that for any life insurance policy issued on or after January 1, 1986, for which the gross premium in the first policy year exceeds that of the second year and for which no comparable additional benefit is provided in the first year for such excess and which provides an endowment benefit or a cash surrender value or a combination thereof in an amount greater than such excess premium, the foregoing provisions of this paragraph shall be applied as if the method actually used in calculating the reserve for such policy were the method described in paragraph (b) of this subdivision. The minimum reserve at each policy anniversary of such a policy shall be the greater of the minimum reserve calculated in accordance with paragraphs (b) and (c) of this subdivision and the minimum reserve calculated in accordance with this paragraph;

(i) In the case of any plan of life insurance which provides for future premium determination, the amounts of which are to be determined by the insurance company based on then estimates of future experience, or in the case of any plan of life insurance or annuity which is of such a nature that the

minimum reserves cannot be determined by the methods described in paragraphs (b) to (e) of this subdivision, and paragraph (h) of this subdivision, the reserves which are held under any such plan must:

- a. Be appropriate in relation to the benefits and the pattern of premiums for that plan; and
- b. Be computed by a method which is consistent with the principles of this section as determined by regulations promulgated by the director.

(3) Except as provided in subsection 2 of this section, the minimum standard for the valuation of all individual annuity and pure endowment contracts issued on or after the operative date of this subdivision, as defined herein, and for all annuities and pure endowments purchased on or after such operative date under group annuity and pure endowment contracts, shall be the commissioners reserve valuation methods defined in paragraphs (b), (c), (d), and (e) of subdivision (2) of this subsection, and the following tables and interest rates:

(a) For individual annuity and pure endowment contracts issued prior to September 28, 1979, excluding any disability and accidental death benefits in such contracts, the 1971 Individual Annuity Mortality Table, or any modification of this table approved by the director, and six percent interest for single premium immediate annuity contracts, and four percent interest for all other individual annuity and pure endowment contracts;

(b) For individual single premium immediate annuity contracts issued on or after September 28, 1979, excluding any disability and accidental death benefits in such contracts, the 1971 Individual Annuity Mortality Table, or any individual annuity mortality table adopted after 1980 by the NAIC, that is approved by regulation promulgated by the director for use in determining the minimum standard of valuation for such contracts, or any modification of these tables approved by the director, and seven and one-half percent interest;

(c) For individual annuity and pure endowment contracts issued on or after September 28, 1979, other than single premium immediate annuity contracts, excluding any disability and accidental death benefits in such contracts, the 1971 Individual Annuity Mortality Table, or any individual annuity mortality table adopted after 1980 by the NAIC, that is approved by regulation promulgated by the director for use in determining the minimum standard of valuation for such contracts, or any modification of these tables approved by the director, and five and one-half percent interest for single premium deferred annuity and pure endowment contracts and four and one-half percent interest for all other such individual annuity and pure endowment contracts;

(d) For all annuities and pure endowments purchased prior to September 28, 1979, under group annuity and pure endowment contracts, excluding any disability and accidental death benefits purchased under such contracts, the 1971 Group Annuity Mortality Table, or any modification of this table approved by the director, and six percent interest;

(e) For all annuities and pure endowments purchased on or after September 28, 1979, under group annuity and pure endowment contracts, excluding any disability and accidental death benefits purchased under such contracts, the 1971 Group Annuity Mortality Table, or any group annuity mortality table adopted after 1980 by the NAIC, that is approved by regulation promulgated by the director for use in determining the minimum standard of valuation for such annuities and pure endowments, or any modification of these tables approved by the director, and seven and one-half percent interest;

(f) On and after September 28, 1975, any company may file with the director a written notice of its election to comply with the provisions of this subdivision after a specified date before January 1, 1980, which shall be the operative date of this subdivision for such company, provided a company may elect a different operative date for individual annuity and pure endowment contracts from that elected for group annuity and pure endowment contracts. If a company makes no such election, the operative date of this subdivision for such company shall be January 1, 1980.

2. (1) The calendar year statutory valuation interest rates as defined in this subsection shall be the interest rates used in determining the minimum standard for the valuation of:

(a) All life insurance policies issued in a particular calendar year, on or after the operative date of subsection 14 of section 376.670;

(b) All individual annuity and pure endowment contracts issued in a particular calendar year on or after January 1, 1983;

(c) All annuities and pure endowment contracts purchased in a particular calendar year on or after January 1, 1983, under group annuity and pure endowment contracts; and

(d) The net increase, if any, in a particular calendar year after January 1, 1983, in amounts held under guaranteed interest contracts.

(2) The calendar year statutory valuation interest rates, I , shall be determined as follows and the results rounded to the nearer one-quarter of one percent:

(a) For life insurance:

$$I = .03 + W(R1 - .03) + W/2(R2 - .09);$$

(b) For single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and from guaranteed interest contracts with cash settlement options:

$I = .03 + W(R - .03)$, where $R1$ is the lesser of R and $.09$; $R2$ is the greater of R and $.09$; R is the reference interest rate defined in this subsection; and W is the weighting factor defined in this subsection;

(c) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on an issue year basis, except as stated in paragraph (b) of this subdivision, the formula for life insurance stated in paragraph (a) of this subdivision shall apply to annuities and guaranteed interest contracts with guarantee durations in excess of ten years and the formula for single premium immediate annuities stated in paragraph (b) of this subdivision shall apply to annuities and guaranteed interest contracts with guarantee durations of ten years or less;

(d) For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the formula for single premium immediate annuities stated in paragraph (b) of this subdivision shall apply;

(e) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change in fund basis, the formula for single premium immediate annuities stated in paragraph (b) of this subdivision shall apply. If the calendar year statutory valuation interest rate for any life insurance policies issued in any calendar year determined without reference to this sentence differs from the corresponding actual rate for similar policies issued in the immediately preceding calendar year by less than one-half of one percent, the calendar year statutory valuation interest rate for such life insurance policies shall be equal to the corresponding actual rate for the immediately preceding calendar year. For purposes of applying the immediately preceding sentence, the calendar year statutory valuation interest rate for life insurance policies issued in a calendar year shall be determined for 1980 (using the reference interest rate defined for 1979) and shall be determined for each subsequent calendar year regardless of when subsection 14 of section 376.670 becomes operative.

(3) The weighting factors referred to in the formulas stated in subdivision (2) of this subsection are given in the following tables:

(a) Weighting factors for life insurance:

Guarantee	Weighting
Duration	Factors
(Years)	

10 or less	.50
More than 10, but not more than 20	.45
More than 20	.35

For life insurance, the guarantee duration is the maximum number of years the life insurance can remain in force on a basis guaranteed in the policy or under options to convert to plans of life insurance with premium rates or nonforfeiture values or both which are guaranteed in the original policy;

(b) Weighting factor for single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options: .80;

(c) Weighting factors for other annuities and for guaranteed interest contracts, except as stated in paragraph (b) of this subdivision, shall be as specified in subparagraphs a., b., and c. of this paragraph, according to the rules and definitions in subparagraphs d., e., and f. of this paragraph:

a. For annuities and guaranteed interest contracts valued on an issue year basis:

Guarantee	Weighting Factor		
Duration	for Plan Type		
(Years)	A	B	C
5 or less:	.80	.60	.50
More than 5, but not more than 10:	.75	.60	.50
More than 10, but not more than 20:	.65	.50	.45
More than 20:	.45	.35	.35

b. For annuities and guaranteed interest contracts valued on a change in fund basis, the factors shown in subparagraph a. of this paragraph increased by:

Plan Type		
A	B	C
.15	.25	.05

c. For annuities and guaranteed interest contracts valued on an issue year basis (other than those with no cash settlement options) which do not guarantee interest on considerations received more than one year after issue or purchase and for annuities and guaranteed interest contracts valued on a change in fund basis which do not guarantee interest rates on considerations received more than twelve months beyond the valuation date, the factors shown in subparagraph a. of this paragraph or derived in subparagraph b. of this paragraph increased by:

Plan Type		
A	B	C
.05	.05	.05

d. For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the guarantee duration is the number of years for which the contract guarantees interest rates in excess of the calendar year statutory valuation interest rate for life insurance policies with guarantee duration in excess of twenty years. For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the guarantee duration is the number of years from the date of issue or date of purchase to the date annuity benefits are scheduled to commence;

e. Plan type as used in subparagraphs a., b., and c. of this paragraph is defined as follows:

Plan Type A: At any time policyholder may withdraw funds only with an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company, or without such adjustment but in installments over five years or more, or as an immediate life annuity, or no withdrawal permitted;

Plan Type B: Before expiration of the interest rate guarantee, policyholder may withdraw funds only with an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company, or without such adjustment but in installments over five years or more, or no withdrawal permitted. At the end of interest rate guarantee, funds may be withdrawn without such adjustment in a single sum or installments over fewer than five years;

Plan Type C: Policyholder may withdraw funds before expiration of interest rate guarantee in a single sum or installments over fewer than five years either without adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company, or subject only to a fixed surrender charge stipulated in the contract as a percentage of the fund;

f. A company may elect to value guaranteed interest contracts with cash settlement options and annuities with cash settlement options on either an issue year basis or on a change in fund basis. Guaranteed interest contracts with no cash settlement options and other annuities with no cash settlement options must be valued on an issue year basis. As used in this subsection an issue year basis of valuation refers to a valuation basis under which the interest rate used to determine the minimum valuation standard for the entire duration of the annuity or guaranteed interest contract is the calendar year valuation interest rate for the year of issue or year of purchase of the annuity or guaranteed interest contract, and the change in fund basis of valuation refers to a valuation basis under which the interest rate used to determine the minimum valuation standard applicable to each change in the fund held under the annuity or guaranteed interest contract is the calendar year valuation interest rate for the year of the change in the fund.

(4) The "reference interest rate" referred to in subdivision (2) of this subsection shall be defined as follows:

(a) For all life insurance, the lesser of the average over a period of thirty-six months and the average over a period of twelve months, ending on June thirtieth of the calendar year next preceding the year of issue, of the Monthly Average of the Composite Yield on Seasoned Corporate Bonds, as published by Moody's Investors Service, Inc.;

(b) For single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the average over a period of twelve months, ending on June thirtieth of the calendar

year of issue or purchase, of the Monthly Average of the Composite Yield on Seasoned Corporate Bonds, as published by Moody's Investors Service, Inc.;

(c) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a year of issue basis, except as stated in paragraph (b) of this subdivision, with guarantee duration in excess of ten years, the lesser of the average over a period of thirty-six months and the average over a period of twelve months, ending on June thirtieth of the calendar year of issue or purchase, of the Monthly Average of the Composite Yield on Seasoned Corporate Bonds, as published by Moody's Investors Service, Inc.;

(d) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a year of issue basis, except as stated in paragraph (b) of this subdivision, with guarantee duration of ten years or less, the average over a period of twelve months, ending on June thirtieth of the calendar year of issue or purchase, of the Monthly Average of the Composite Yield on Seasoned Corporate Bonds, as published by Moody's Investors Service, Inc.;

(e) For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the average over a period of twelve months, ending on June thirtieth of the calendar year of issue or purchase, of the Monthly Average of the Composite Yield on Seasoned Corporate Bonds, as published by Moody's Investors Service, Inc.;

(f) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change in fund basis, except as stated in paragraph (b) of this subdivision, the average over a period of twelve months, ending on June thirtieth of the calendar year of the change in the fund, of the Monthly Average of the Composite Yield on Seasoned Corporate Bonds, as published by Moody's Investors Service, Inc.

(5) In the event that the Monthly Average of the Composite Yield on Seasoned Corporate Bonds is no longer published by Moody's Investors Service, Inc., or in the event that the NAIC determines that the Monthly Average of the Composite Yield on Seasoned Corporate Bonds as published by Moody's Investors Service, Inc., is no longer appropriate for the determination of the reference interest rate, then an alternative method for determination of the reference interest rate, which is adopted by the NAIC and approved by regulation promulgated by the director, may be substituted.

3. For accident and health insurance contracts issued on or after the operative date of the valuation manual, the standard prescribed in the valuation manual is the minimum standard of valuation required under subsection 2 of section 376.370. For disability, accident and sickness, and accident and health insurance contracts issued on or after the operative date provided in subsection 20 of section 376.670 and prior to the operative date of the valuation manual, the minimum standard of valuation is the standard adopted by the director by regulation.

4. (1) This subsection shall apply to actuarial opinions of reserves prior to the date of the valuation manual.

(2) Every life insurance company doing business in this state shall annually submit the opinion of a qualified actuary as to whether the reserves and related actuarial items held in support of the policies and contracts specified by the director by regulation are computed appropriately, are based on assumptions which satisfy contractual provisions, are consistent with prior reported amounts and comply with applicable laws of this state. The director by regulation shall define the specifics of this opinion and add any other items deemed to be necessary to its scope.

(3) (a) Every life insurance company, except as exempted by or pursuant to regulation, shall also annually include in the opinion required by subdivision (2) of this subsection, an opinion of the same qualified actuary as to whether the reserves and related actuarial items held in support of the policies and contracts specified by the director by regulation, when considered in light of the assets held by the company with respect to the reserves and related actuarial items, including but not limited to the investment earnings on the assets and the considerations anticipated to be received and retained under the policies and contracts, make adequate provision for the company's obligations under the policies

(b) The director may provide by regulation for a transition period for establishing any higher reserves which the qualified actuary may deem necessary in order to render the opinion required by this subsection.

(4) Each opinion required by subdivision (3) of this subsection shall be governed by the following provisions:

(a) A memorandum, in form and substance acceptable to the director as specified by regulation, shall be prepared to support each actuarial opinion; and

(b) If the insurance company fails to provide a supporting memorandum at the request of the director within a period specified by regulation or the director determines that the supporting memorandum provided by the insurance company fails to meet the standards prescribed by the regulations or is otherwise unacceptable to the director, the director may engage a qualified actuary at the expense of the company to review the opinion and the basis for the opinion and prepare such supporting memorandum as is required by the director.

(5) Every opinion required by this subsection shall be governed by the following provisions:

(a) The opinion shall be submitted with the annual statement reflecting the valuation of such reserve liabilities for each year ending on or after December 31, 1993;

(b) The opinion shall apply to all business in force including individual and group health insurance plans, in form and substance acceptable to the director as specified by regulation;

(e) For the purposes of this section, "qualified actuary" means a member in good standing of the American Academy of Actuaries who meets the requirements set forth in such regulations;

(f) Except in cases of fraud or willful misconduct, the qualified actuary shall not be liable for damages to any person, other than the insurance company and the director, for any act, error, omission, decision or conduct with respect to the actuary's opinion;

(g) Disciplinary action by the director against the company or the qualified actuary shall be defined in regulations by the director; and

(h) Any memorandum in support of the opinion, and any other material provided by the company to the director in connection therewith, shall be kept confidential by the director and shall not be made public and shall not be subject to subpoena, other than for the purpose of defending an action seeking damages from any person by reason of any action required by this section or by regulations promulgated hereunder; except that the memorandum or other material may otherwise be released by the director:

a. With the written consent of the company; or

b. To the American Academy of Actuaries upon request stating that the memorandum or other material is required for the purpose of professional disciplinary proceedings and setting forth procedures satisfactory to the director for preserving the confidentiality of the memorandum or other material.

Once any portion of the confidential memorandum is cited by the company in its marketing or is cited before any governmental agency other than a state insurance department or is released by the company to the news media, all portions of the confidential memorandum shall be no longer confidential.

5. (1) This subsection shall apply to actuarial opinions of reserves after the operative date of the valuation manual.

(2) Every company with outstanding life insurance contracts, accident and health insurance contracts, or deposit-type contracts in Missouri and subject to regulation by the director shall annually submit the opinion of the appointed actuary as to whether the reserves and related actuarial items held in support of the policies and contracts are computed appropriately, are based on assumptions that satisfy contractual provisions, are consistent with prior reported amounts, and comply with applicable Missouri law. The valuation manual shall prescribe the specifics of such opinion, including any items deemed to be necessary to its scope.

(3) Every company with outstanding life insurance contracts, accident and health insurance contracts, or deposit-type contracts in Missouri and subject to regulation by the director, except as exempted in the valuation manual, shall also annually include in the opinion required under subdivision (2) of this subsection an opinion of the same appointed actuary as to whether the reserves and related actuarial items held in support of the policies and contracts specified in the valuation manual, when considered in light of the assets held by the company with respect to the reserves and related actuarial items including, but not limited to, the investment earnings on the assets and the considerations anticipated to be received and retained under the policies and contracts, make adequate provision for the company's obligations under the policies and contracts including, but not limited to, benefits under and expenses associated with the policies and contracts.

(4) Each opinion required by subdivision (3) of this subsection shall be governed by the following provisions:

(a) A memorandum, in form and substance as specified in the valuation manual and acceptable to the director, shall be prepared to support each actuarial opinion; and

(b) If the insurance company fails to provide a supporting memorandum at the request of the director within a period specified in the valuation manual or the director determines that the supporting memorandum provided by the insurance company fails to meet the standards prescribed by the valuation manual or is otherwise unacceptable to the director, the director may engage a qualified actuary at the expense of the company to review the opinion and the basis for the opinion and prepare the supporting memorandum required by the director.

(5) Every opinion required by this subsection shall be governed by the following:

(b) The opinion shall be submitted with the annual statement reflecting the valuation of such reserve liabilities for each year ending on or after the operative date of the valuation manual;

(c) The opinion shall apply to all policies and contracts subject to subdivision (3) of this subsection, plus other actuarial liabilities as may be specified in the valuation manual;

(d) The opinion shall be based on standards adopted from time to time by the Actuarial Standards Board or its successor, and on such additional standards as may be prescribed in the valuation manual;

(e) In the case of an opinion required to be submitted by a foreign or alien company, the director may accept the opinion filed by such company with the insurance supervisory official of another state if the director determines that the opinion reasonably meets the requirements applicable to a company domiciled in Missouri;

379.011. DOCUMENTS REQUIRED FOR INSURANCE TRANSACTIONS OR PROOF OF COVERAGE BY ELECTRONIC MEANS PERMITTED, WHEN, REQUIREMENTS — INAPPLICABILITY. — 1. As used in this section, the following terms mean:

(1) "Delivered by electronic means", includes delivery to an electronic mail address at which a party has consented to receive notices or documents, or posting on an electronic network or site accessible via the internet, mobile application, computer, mobile device, tablet, or any other electronic device, together with a separate notice to a party directed to the electronic mail address at which the party has consented to receive notice of the posting;

(2) "Party", any recipient of any notice or document required as part of an insurance transaction, including but not limited to an applicant, an insured or a policyholder.

2. Subject to subsection 3 of this section, any notice to a party or any other document required under applicable law in an insurance transaction or that is to serve as evidence of insurance coverage may be delivered, stored, and presented by electronic means so long as it meets the requirements of sections 432.200 to 432.295. Delivery of a notice or document in accordance with this subsection shall be considered equivalent to any delivery method required under applicable law, including delivery by first class mail, first class mail postage prepaid, certified mail, or certificate of mailing.

3. A notice or document may be delivered by electronic means by an insurer to a party under this **[subsection] section** if:

(1) The party has affirmatively consented to that method of delivery and has not withdrawn the consent;

EXPLANATION--Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law. Matter in bold-face type is proposed language.

(2) The party, before giving consent, is provided with a clear and conspicuous statement informing the party of:

(a) Any right or option to have the notice or document provided in paper or another nonelectronic form at no additional cost;

(b) The right of ~~the~~ party to withdraw consent to have a notice or document delivered by electronic means;

(c) Whether the party's consent applies only to the particular transaction as to which the notice or document must be given or to identified categories of notices or documents that may be delivered by electronic means during the course of the parties' relationship;

(d) The means, after consent is given, by which a party may obtain a paper copy of a notice or document delivered by electronic means at no additional cost; and

(e) The procedure a party must follow to withdraw consent to have a notice or document delivered by electronic means and to update information needed to contact the party electronically;

(3) The party, before giving consent, is provided with a statement of the hardware and software requirements for access to and retention of a notice or document delivered by electronic means and consents electronically, and confirms consent electronically, in a manner that reasonably demonstrates that the party can access information in the electronic form that will be used for notices or documents delivered by electronic means as to which the party has given consent; and

(4) After consent of the party is given, the insurer, in the event a change in the hardware or software requirements needed to access or retain a notice or document delivered in electronic means creates a material risk that the party will not be able to access or retain a subsequent notice or document to which the consent applies:

Nothing in this subsection shall affect the right of a party under this section to withdraw its consent to have a notice or document delivered by electronic means.

5. This section does not affect requirements relating to content or timing of any notice or document required under applicable law. If any provision of applicable law requiring a notice or document to be provided to a party expressly requires verification or acknowledgment of receipt of the notice or document, the notice or document may be delivered by electronic means only if the method used provides for verification or acknowledgment of receipt. Absent verification or acknowledgment of receipt of the initial notice or document on the part of the party, the insurer shall send two subsequent notices or documents at intervals of five business days. A withdrawal of consent by a party is effective within thirty days after receipt of the withdrawal by the insurer. Failure by an insurer to comply with subdivision (4) of subsection 3 of this section may be treated, at the election of the party, as a withdrawal of consent for purposes of this section.

~~[6.]~~ 7. This section does not apply to a notice or document delivered by an insurer in an electronic form before August 28, 2013, to a party who, before that date, has consented to receive notices or documents in an electronic form otherwise allowed by law. ~~[9.]~~ 10. This section may not be construed to modify, limit, or supercede the provisions of sections 354.442, 376.1450, or 432.200 to 432.295.
